PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 17th February in the Village Hall.

Bus Shelters

The Oatlands Avenue bus shelter has now been moved to the new bus stop at the end of the Village Park, and a hard surface has been laid at the new Pheasant Rise bus stop. The Parish Council has asked for the Swavesey Village College School bus route to be changed so that it follows the route of the public service and children waiting for the school bus can also use the shelter The flyover shelter is still being constantly vandalised and a notice is to be erected to the effect that anyone causing wilful damage to the shelter will be prosecuted. To date over £600 has been spent on this shelter, which of course has an adverse effect on everyone's rates.

Village Hall

Work has been carried out on the drainage of the Village Hall car park, and mounding has been constructed round the area used by the Playgroup. Four concrete posts have been erected at the corner of the car park to prevent cars from driving round to the front of the Hall and we hope that these measures will relieve the anxiety of parents of Playgroup children for their safety when playing outside.

Vandalism

It was noted that of 16 trees planted three years ago beside the spine path in the area of Foxhollow and Hollytrees, only 7 now remain, the rest having been vandalised. This is a matter of great regret to the Parish Council, as our young trees form one of our greatest investments for the future. As they mature, so will our village grow more beautiful - please give them the chance to do so without being broken or damaged.

Annual Parish Meeting

The Annual Meeting of the Parish of Bar Hill will be held in the small hall of the school at 8.00pm on Wednesday 29th April. We shall be inviting Mr. Norton, headmaster of Bar Hill School and Mr. Rooney, Warden of Swavesey Village College, to be guest speakers, and Mr. Burton of Bar Hill Developments Ltd. will as usual be invited to address the meeting. All village clubs and societies are, as always, most welcome to present a report on their activities during the year, and perhaps any group wishing to do so would kindly contact the Deputy Clerk, Christine Avery (tel. 81233). Refreshments will be served and we look forward to seeing as many people as possible for what has always proved to be a very pleasant and interesting evening.

The next meeting of the Parish Council will be held at 7.30pm on Tuesday 17th March in the Committee Room, Bar Hill Village Hall

Editor

Dear Sir,

With reference to Mr. Bower's letter in the February issue regarding the Greyhound or Whippet which attacked his cat.

I am the owner of a racing greyhound, spaniel and cat and perturbed at the glances I receive while exercising my dogs because of the ambiguous nature of the letter. I can assure the Bar Hill Community that my dog is too valuable to let roam the village.

Yours faithfully,

The Management Committee is seeking a person or persons willing to carry out the duties of caretaker and/or cleaner at the Village Hall commencing in April.

The caretakers duties include taking bookings, holding keys, attending to heating and security and generally promoting Village Hall interests.

The cleaner will be required to attend to general cleaning duties of not less than one hour per day with longer periods of cleaning before and after a major letting (i.e. dances).

If you are interested and wish to have further details please come and have a talk with either Robin Cruse (the present caretaker) at I Pheasant Rise or Mike Duce (committee chairman) at 22 Gladeside.

MAMA

The Meet a Mum Association meetings for the next two months are as follows:

Friday 6th March

Friday 3rd April

Both these meetings are at 2.30pm in the Health Centre.

For the benefit of newcomers to the village, the function of the Mama group is twofold: we meet in the Health Centre for a chat and a cuppa so that expectant and new mums, or those new to the village have an opportunity to get to know people and also to provide a sympathetic ear (or rather ears) for anyone who is feeling a bit low or has a problem and feels like talking to someone about it.

The meetings in the Health Centre are monthly at present but will become fortnightly again in May.

Anyone wanting further information about the group, or needing someone to talk to generally should phone either:

BAR HILL PRE-SCHOOL PLAY GROUP

As March winds blow a wind of change begins to be felt at Bar Hill Play Group. The present Committee soon end their term of office and make the way clear for other willing parents to serve on next year's Committee. Every Playgroup is a living organization and every year changes are made reflecting the wishes and needs of all families responsible for it. Volunteers can expect a varied, interesting and often busy time with tremendous support from the Supervisors and Administrator. The A.G.M. will be held at the Village Hall on Wednesday 8th April at 8pm. All interested villagers and past, present and future Play Group families are welcome.

March heralds the coming of Spring, includes the altering of Clocks and Mothering Sunday (I9th) but is especially thought of as a build up to Easter, the most important festival of the Christian Calendar. Easter has always been a time of fairs and festivals celebrating the return of growing things at the end of winter. As Easter is a time of life's resurrection many countries have Easter customs involving eggs as symbols of new life.

Egg rolling is an old Easter game played by English children. Americans too, have been rolling eggs down Capitol Hill and on the lawns of the White House for a hundred years. In Greece eggs are used in a special Easter Greeting. Games are played using dyed, hard boiled eggs rather like conkers, to see which will crack first. The toughest egg is supposed to bring its owner good luck. Sometimes children hunt for eggs hidden around the gardens and woods by the Easter bunny. This tradition perhaps comes from hare-hunts and the sacrificing of hares to Easter, an Anglo Saxon goddess of Spring.

An attractive table decoration is an Easter Egg tree, a bare twig hung with miniature Easter eggs. On Easter Sunday the traditional breakfast in the painted or dyed boiled egg. To decorate eggs try rubbing the shell of a freshly boiled egg, whilst still warm, with a thick wax crayon to form an even coat, then draw a clear design through the wax with a skewer point. A cooked egg can be made into a head by painting a face and using wool or cotton wool for the hair. An egg dyed brown makes a realistic mouse with glued pink felt ears, wool tail, bead nose and bristles for whiskers. Food colourings make good dyes.

April begins with All Fools' Day, an ancient and widespread tradition. The custom of making April fools perhaps comes from the Roman festival commemorating Ceres. Percephone, Ceres' daughter, was carried off by Pluto, god of the underworld. Ceres ran to help her, but instead of following her cries, she followed the echoes so that she ran in the wrong direction, and thus was fooled.

April showers bring May flowers, howling children cooped up indoors and exasperated Mothers. This is doubly true during the school holidays. Absorbing indoor past-times are welcome. All children enjoy a memory box. Collect now all sorts of small objects, seashells and contents of crackers giving an interesting pile to rummage in and remind them of important

events.

One event to remember is the Open book evening and buffet hosted by Playgroup on Tuesday I7th March at 8pm in The Village Hall. As many Supervisors and parents of other Playgroups in our area will be attending we hope to have support from families from our village. Meanwhile, perhaps all Play Group parents will consider volunteering for the new Committee and giving new ideas as to what Playgroup can offer to their children and to the village.

We look forward to a good response to both events.
